10	9.4	Page 12	The CGMARKFED does not guarantee the minimum quantity, which will be ordered. It reserves the right to order for only such quantity as may be necessary or required by the respective district and the qualified bidder is bound to supply the ordered quantity to the designated rice millers across the Group. **To facilitate the supply, suppliers must arrange godown at his own cost as supply point from where rice millers will take the delivery of FRK**	The CGMARKFED does not guarantee the minimum quantity, which will be ordered. It reserves the right to order for only such quantity as may be necessary or required by the respective rice millers in the allotted district/s and the qualified bidder is bound to supply the ordered quantity to the designated rice millers linked with the Group geography. To facilitate the supply, suppliers must arrange godown at his own cost as supply point from where rice millers will take the delivery of FRK. The supplier must confirm the place of delivery/supply point address within 10 days from the date of agreement to the CGMARKFED. Supplier must ensure needful compliances and licenses required if any for the creation of supply point and sale of FRK to the rice millers as per work order and agreement terms and conditions.
11	9.5	Page 12	Quantities supplied in excess of the quantity specified in the Work order will not be paid for. Supply of required quantity should be as the movement orders issued by CGMARKFED. The successful qualified bidder is bound to honor such indents and shall arrange to supply requisite quantity of Fortified Rice Kernels (FRK) to the rice millers. The supply of consignment ordered shall be delivered in accordance with the Movement Order issues concerned DMOs/Nodal Officers	Quantities supplied in excess of the quantity specified in the Work order will not be paid for. Supply of required quantity should be as the work orders issued by CGMARKFED. The successful bidder received work order is bound to honour such work order and shall arrange to supply requisite quantity of Fortified Rice Kernels (FRK) to the rice millers with in specified time limit through own arrangement. Rice millers will come to the designated supply/delivery point created/notified by the supplier. Supplier shall inform the supply point address to the CGMARKFED within 10 days from the date of agreement

s. no.	clause no	page no	content	Amendment/clarification
12	a.	Page 18	At the time of delivery of stocks by the successful bidder, the bidders should submit two samples of 500 gm each of FRK with District manager CGMARKFED. Samples will be taken as per the procedure in vogue. There shall not be any variation from bag to bag in terms of any specification of FRK, so that the sample taken from any single bag shall strictly confirm to the specifications. In the event that, if the supplied stocks do not meet the prescribed specifications, they will be rejected. The supplier must bear the responsibility and risk of returning these stocks and it will be viewed seriously besides imposing penalty of an amount equivalent to ten percent (10%) of the trade value on each rejected consignment. The imposing of any penalty will be at the sole discretion of the - Managing Director of CGMARKFED.	Successful bidder/supplier needs to create supply point/godown/s and keep sufficient quantity as per the work order and monthly rice miller's requirement. For every batch production supplier needs to keep two sealed samples of 250 gm each at the supply point. On demand basis supplier need to submit the samples to the CGMARKFED. CGMARKFED on random basis will inspect the quality and packaging during the tenure of the supply. Samples will be taken as per the procedure in vogue. There shall not be any variation from bag to bag in terms of any specification of FRK, so that the sample taken from any single bag shall strictly confirm to the specifications. In the event that, if the supplied stocks do not meet the prescribed specifications, they will be rejected. The supplier is responsible for the quality and quantity delivery as per RFP terms and conditions to the rice millers assigned with respect to allotted group. In case of quality and quantity compliant by the rice millers same shall be viewed seriously and after enquiry and investigation if found true then MD CGMARKFED at his discretion may instruct supplier for the replacement of the stock at his own cost or may forfeit the security amount or may be black listed for two years.
13	PAGE 19 SHELF LIFE	PAGE 19	The FRK produced should have a shelf life of minimum 12 months from the date of manufacturing. The Fortified Rice Kernels (FRK) stocks should be delivered duly packed in a special two-layer bag with inner poly lining (20kg). Without the above details the stocks dispatched by the manufacturers will not be accepted at the specified Buffer Godown/MLS points of CGMARKFED	The FRK produced should have a shelf life of minimum 12 months from the date of manufacturing. The supplier ensures the quality and packaging (duly packed in a special two-layer bag with inner poly lining (20kg)) norms as specified in the RFP terms and conditions. On random basis CGMARKFED will inspect the quality and packaging of the FRK stored at the supply point and if found deviation in the packaging norms then same shall be viewed seriously and the imposing of the any penalty will be at the sole discretion of the Managing Director, CGMARKFED
14	10.5	PAGE 19, 20	FRK Shall be supplied within a period of 20 days from the date of manufacturing to the destination. If the stocks are brought to the specified Buffer Godown/MLS points without fulfilling the quality, quantity and above conditions the manufacturer has to take back the stocks at their risk and cost and CGMARKFED is not responsible for any loss in such cases.	FRK Shall be supplied within a period of 20 days from the date of manufacturing to the destination. If the stocks are brought to the specified delivery /supply points confirm by the supplier without fulfilling the quality, quantity and RFP terms and conditions, the supplier has to take back the stocks and replace the FRK stock meeting RFP quality standard at his own risk and cost. CGMARKFED is not responsible for any loss in such cases.
